

Advertise in the Parent's Summit Booklet - 2018

Each year, the Parent's Summit produces a guidebook for the main event. This book primarily features speakers, Summit info, the schedule and plenty of room for notes. But, as one of The Parent's Summit's primary goals is *resourcing* parents, we also want to provide relevant space for local, statewide and national organizations to share their resources with parents.

The Parent's Summit has limited ad space available for organization who are *like-minded* in their desire to equip and resource parents. Ad preference will be given to organizations who are state-wide or national, as the booklet will be distributed throughout Wisconsin to simulcast churches.

The Parent's Summit booklet will be distributed to:

350 parent's locally at the main site in Plover
1800+ parents state-wide at various simulcast sites.

Parent's Summit Advertisers will also have their logo and a link to their website placed on the main Parent's Summit website (parentssummit.com) from the time of payment through April 2018.

The booklet is 6" x 9", and all ads should be submitted with a .25" bleed. Ad costs are as follows:

Half page ad - **\$300**

Full page ad - **\$500**

Advertising in the Parent's Summit Booklet is unique, because you know you're directly reaching over a thousand local families who have made the choice to be intentional in their parenting. Your ad will not be thrown out or dismissed, because parents will take valuable notes in their booklets. And your ad will be seen beyond the event as parents return to their notes. Space is limited.

Please email contact@parentssummit.com for more information or to reserve your space today.
